Clarmondial is an independent Swiss investment advisory company, focused on mobilizing capital for sustainable natural resource management. Clarmondial designed and supported the launch of the Food Securities Fund, a blended finance fund for agricultural value chains, in March 2021. Clarmondial is working with partners on the design of a new fund for longer-term investments in value chains and landscapes in emerging and developing markets, with an initial focus on Latin America. We are seeking an Investment Partner to join our team in early Q1 2022 and lead this initiative.

Key tasks

- Lead the development of the new fund, including strategy, business model and financial model.
- Engage with current partners (governments and conservation organizations).
- Identify and assess potential transactions in priority landscapes to inform fund design, and support on the structuring and execution of pilot transactions.
- Identify and engage investors and blended finance partners, leveraging Clarmondial's existing network.
- Over the next 2-3 years, recruit and manage a team of international professionals.

Criteria

- Interest in sustainable agriculture, forestry, and related development topics (e.g., climate, biodiversity, rural development, and gender).
- At least 15 years of relevant investment experience in emerging markets, primarily in long term investments (equity, long term debt) in relevant sectors.
- Understanding of fund development and execution, including market analysis, financial modelling, due diligence, investment structuring, risk assessment, etc.
- Strong network with relevant stakeholders, including investors and corporates.
- Proactive personality focused on achieving results in a small dynamic team with a flat structure.
- Interest and ability to travel internationally.
- Fluent in English and Spanish.

Short motivation letters (max. 1 page) and CV should be sent to hr@clarmondial.com. Please use "Investment Partner – [Your Surname]" as the subject line of your application e-mail.

Deadline for applications: 19 December 2021
