Position: Associate / Analyst
Location: Zürich (only candidates with a Swiss work permit will be considered)
Terms: 80 - 100%

Clarmondial is an independent Swiss investment advisory company with global reach, focused on mobilizing capital for sustainable management of natural resources. Clients and partners include leading companies, investors, donors, and conservation organizations. The company has been proactively developing new solutions such as the Food Securities Fund, a blended finance fund for agricultural supply chains, and a new fund for landscapes and value chains (www.clarmondial.com/usaaid-bc-partnership-pr).

To support its work, Clarmondial is seeking an Associate / Analyst to join the team.

Key tasks

- Support strategic, multi-year projects by facilitating information flow and coordination among multiple partners, and completing reporting to investors and donors (project management).
- Support research and investment related activities (e.g., origination, due diligence, fundraising) in collaboration with companies and partners operating in Latin America (initially Peru, Ecuador, Colombia and Brazil), Indonesia, and other important sourcing landscapes in developing and emerging markets.
- Contribute to the development and implementation of the impact theory of change and associated methodology, including impact data collection and management.

Criteria

- Project management skills - time management, effective communication, organization and planning capabilities, budget control, and reporting.
- Preferably with experience in private investments and fund operations.
- Preferably with interest and experience in sustainable agriculture, forestry, or natural resources management in emerging and developing countries.
- Fluent in English. Additional languages (e.g., Spanish or French) are a plus.
- Proactive and inquisitive personality, focused on achieving results as part of an ambitious team with a flat hierarchy.
- Ideally with 5+ years of work experience.

Salary

This is a paid position.
