

OPPORTUNITY

Position: Paid internship (80 - 100% FTE)

Location: Zurich, Switzerland.

We are seeking a motivated Intern to join Clarmondial in the fourth quarter of 2024 for a 6-month internship, reporting to our management team in the Switzerland office.

Clarmondial is an independent Swiss investment advisory company, focused on mobilizing capital for the sustainable management of natural resources. We develop and implement funding solutions to improve agriculture supply chains. Clarmondial provides strategic advisory services to leading companies, investors, conservation organisations, and other partners to mobilize capital for environmental initiatives globally.

At Clarmondial, you will have the unique opportunity to gain hands-on experience in the dynamic world of impact investing, particularly in nature-based solutions and agricultural value chains. This internship offers a comprehensive view into multiple facets of our work, allowing you to engage with both internal operations and client-facing projects. Rather than limiting your experience to a predefined list of tasks, we believe in tailoring your responsibilities to align with your individual strengths and skill set, ensuring that you make a meaningful contribution to our mission.

What We're Looking For

- Commitment to and interest in sustainable agricultural supply chains with relevant sector knowledge, primarily in environmental topics (e.g., climate, agroforestry, energy).
- Interest in mobilizing capital towards impact investing strategies.
- Ability to conduct independent research and synthesize findings in professional, written documentation.
- University degree in relevant discipline (e.g., environmental sciences, finance, international development).
- Strong English writing and communication skills are essential. Spanish and French are a plus.
- Proficiency with Microsoft Office and in particular Word and PowerPoint are essential.

How to Apply

Please send your brief motivation letter (max. 1 page) and CV to hr@clarmondial.com, using "Internship – [Your Surname]" as the subject line of your application email.

The deadline for applications is 13 October 2024.

Clarmondial is an Equal Opportunity Employer. We value diversity and are committed to fostering a culture where all individuals with the right skill set can thrive. We encourage candidates of all backgrounds to apply.
